There are many drawings and/or illustrations and most of them enhance the paragraphs.	There are some drawings and/or illustrations and some of them enhance the paragraphs.	There are few drawings and/or illustrations and few of them enhance the paragraphs.

Oral Presentation

	Very good	Good	To work on
Your voice was loud and clear			
You looked at your peers when you presented			
You pointed at the pictures on your poster to help visualize what you said			
You answered your peers' questions well			
We can see that you practiced many times, you demonstrated confidence while presenting
